(b) if so, the details thereof with objectives;

(c) whether the conference was represented by India;

(d) whether Government propose to take up some programmes to encourage more and more children of the country to create awareness about environment; and

(e) if so, the details thereof and if not, the reasons therefore?

THE MINISTER OF STATE OF THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI RAJESH PILOT): (a) An International Children's Conference on the Environment was organised by Conference Associates and Services International Ltd., at Eastbourne in the United Kingdom from 23—25 October, 1995.

(b) The objectives of the Conference were to voice the concerns of children, to develop a global network to promote positive action and produce a charter to present to their respective Governments and the United Nations.

(c) Yes, Sir.

(d) and (e) Children are involved in environmental programmes through a scheme for 'Eco-club' of this Ministry. An Eco-club may be set up in a Government recognised middle/high school with 20—50 students. The Objectives of the scheme are:

— to educate children about their immediate environment and causes of its deterioration;

— to impart knowledge about the role of different factors in an eco-system, their inter-dependence and their need for survival, through field visits and demonstrations;

— to mobilise youngsters by instilling in them the spirit of scientific enquiry into environmental problems; and to involve students in environmental preservation efforts.

A sum of Rs. 1000/-per annum is provided to each eco-club. The best eco-clubs are also given awards annually.
